Sir:

This communication is responsive to the Notice of Allowance dated September 13, 2004 concerning the above-referenced patent application.

The Examiner stated the following:

None of the prior art discloses or suggests that the installation fitting consists of two concentrically positioned annular elements.

While the Applicants agree that the allowed claims recite a combination of subject matter that is patentable over the cited references, the Applicants do not necessarily agree with or acquiesce in the statement of reasons for allowance given by the Examiner. Moreover, the Applicants note that the recited subject matter as well as various other subject matter and/or combinations of subject matter may be patentable for other reasons than those given by the Examiner. The Applicants expressly reserve the right to set forth additional and/or alternative

reasons for patentability and/or allowance in connection with the present Application or in any other future proceeding.

**REMARKS**

These Comments on Statement of Reasons for Allowance under 37 C.F.R. § 1.104 is intended to be responsive to the Notice of Allowance dated September 13, 2004.

Respectfully submitted,

Date 11/19/2004
